Greetings from the JCC East Bay!

Dear friends,

As I look back on the last twelve months, I see what a difference a year makes. We have gone from instability and uncertainty to new confidence and new growth. I thank the staff of the JCC for coming together, working hard, and providing great services. I thank the community for your continued support of the JCC, and also for your exuberant participation in our programs and your continued work in building and strengthening our community. Working together, we are creating a rich and vibrant life and future for the JCC.

The afterschool programs at both Oakland and Berkeley are having great years, full of *chugim*—special enrichment classes—in which the kids do everything from ice skating and horseback riding to radio shows and cooking. The preschool hums with kids riding bikes, baking challah, and painting. This summer, Camp Tzofim welcomed returning campers and staff as well as new families for weeks of fun. Kosher lunches were filled with laughter, slide shows, and piano recitals. The Center hosted films, concerts, classes, an Inauguration event, and holiday celebrations. We are honored to be a place that brings this community together.

I look forward to the coming year with great excitement. We are extremely pleased and proud to have already been awarded four substantial grants for 2009-2010, as well as grants for scholarship funds for our Preschool and Summer Camp programs. We have a great schedule of new offerings: expanded holiday programming, fitness classes, and cultural arts events. We were delighted to welcome new and returning preschool and afterschool families to both our Oakland and Berkeley sites and to our community this year. And we will continue to seek out new ways to bring you programs that will address your needs.

With so much here and so much more to look forward to, we eagerly anticipate seeing you here for lunches, lectures, holidays, and community!

B'Shalom,

Annual Report

2008 - 2009

Thank you JCC of the East Bay supporters!

The JCC East Bay exists to be a community for Jews and non-Jews, the affiliated and the unaffiliated, the young and old, and everyone in between. Our mission is to be a place where community gathers, and where all are welcome and welcomed.

It is only thanks to the support of our caring community—the kind and generous individuals and families who have made gifts to the JCC and the visionary foundations who have partnered with us in our work—that we have been able to continue in this vital role. From the bottom of our hearts, we thank you for your commitment and your support.
